STORY-BEGINNING

One day, there was an emergency TV broadcast all through Chinaland. "I am Blu Boltar, lord of the Yoma Clan. All of you, look at this!" What the people saw was that Blu Boltar wound a rope around the lord of Chinaland, the Emperor of Ching. "Whoa, please someone do something!" "Hah! Do something? Chinaland is now mine. Anyone who resists us will be terminated!"

The people of Chinaland have a serious problem.

OF THE ADVENTURE

Meanwhile, on Mt. Epin, Jack and Ryu, enthusiastic Ninja boys, saw the broadcast. They took off on their journey to defeat the Yoma Clan and bring a peace back to Chinaland. They headed towards Yokan, capital of Chinaland! What kind of adventures are waiting for you at Chinaland.....

JACK AND RYU'S HUMOROUS

1. Power up the punch power

If you buy and/or receive the punch items, your punch power will increase!

Command: To equip punch, select 'Equipment' then select 'Punch'.

2. Throwing Stars

If a  ball appears after you punch a rock, grab it, so you can throw the throwing stars a fixed period of time. There are four kinds you can purchase, so buy wisely. They are good back up weapons in case of an emergency.

Command: Select 'Item'

NINJA ACTION !!

3. Kick!

The thrilling, exciting action is here. Press the B button and the direction pad simultaneously!

4. The secret technique, 'Surger'!!

There are another secret behind the 'Throwing Stars'! They allow you to use the 'Surger', which can damage the enemies without touch them.

If you obtain powerful 'Throwing Stars', your 'Surger' will also up grade!!

Command: Select 'Item', then select '...wave'. Press the A button to use it.

PRESS THE A AND B BUTTON SIMULTANEOUSLY

5. Dragon Kick!

Punch rocks to get the treasure box. If a 'K mark' pops up, grab it, so you can use a 'Dragon kick'! Press the B button, then press the Control pad in the direction you wish to kick.

6. Fight with Invincible Balls!

If you collect six 'M' marks that appear from the punched rocks, you can use the 'Mighty Ball'. Grab the 'P' ball as soon as it appears, you then become invincible for a fixed period of time. If you obtain the mystic item, you'll be able to use the secret, 'Combined Cross Attack'.....

(OR START BUTTON) TO OPEN UP THE COMMAND

7. There are swords, too!

Some members of the Yoma Clan can be defeated only by the sword!

However, if you defeat enemies with your sword, your experience points you can get by defeating enemies will be reduced. So, it's better if you use the sword against the enemies who can be defeated only with the sword.

Let's defeat Yoma Clan!

To take an advantage over the battle,

1. Punch rocks and grab the treasure box. Various items are hidden inside of them.
2. Use your punches and sword wisely.
3. Master the humorous ninja action.

SPECIAL FIELD TRAINING STAGE

The controller operation in this stage is a little different.

If you press the A button continuously, Jack and Ryu will dash forward!!

Now use 'A button dash' and 'Dragon Kick' to clear the special stage!

What is the special field training stage?

While you are on the journey, you'll encounter the field training stage, which scrolls horizontally, in the town or inside the building.

If you master the training, you'll find something good.....!

If you play in the 1 player mode, the computer will play your partner, Ryu.

In the battle screen, if you press the A and B button simultaneously (or press Start button), 'Command' will appear on the bottom half of the screen.

EQUIPMENT

Equip either with the punch or the sword. The item you equip with will be indicated by an 'E' mark. To change it, move the cursor around and press the A button. Also, if six 'E' marks are collected, you can use 'Mighty Ball', to use it, select 'Equipment' in the battle.

ITEM

Select the item by moving the cursor around, then press the A button to select.

Let Jack and Ryu Increase their power and experience!

If you defeat enemies and retain experience points, the level will increase and the maximum points for both physical strength and offense power will also increase. Both players always achieve their strength equally. In the 2 player mode, physical strength, and number of 'Dragon Kicks' will be displayed separately.

HOW TO MANAGE COMMAND BATTLE

There are also command battles. You'll enjoy the fully animated, exciting battle. To fight, select the command you like.

One point advice

Whoa, Surprise! Both players can play this command battle. You and your partner can devise a plan of operation as you fight. Even if you are alone, you can call on a partner. Just select command 'CALL' then Ryu will come to you at once, and fight automatically.

BE COOPERATIVE!

1. Since you have your partner, don't fight separately. If one of you is fighting against the enemies, the other should concentrate on collecting items.
2. The powerful enemies appear! Do you care about your strength? Sometimes it is necessary to run away from the enemies. If you aren't quick enough, use a 'Skateboard' to escape from them (both of you can escape).
3. Fight against the strong enemies together! One of you should lure the enemy, the other should attack him when he's off his guard.
4. If one of you are terminated, revive him at the 'Convenience Store'.

COMPLIANCE WITH FCC REGULATIONS

This equipment generates and uses radio frequency energy and if not installed and used properly, due to its close proximity to the manufacturer's instructions, may cause interference to radio and television reception. It has been type tested and found to comply with the limits for a Class B computing device in accordance with the specifications in Subpart J of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna.
- Relocate the NES with respect to the receiver.
- Move the NES away from the receiver.
- Plug the NES into a different outlet so that the computer and receiver are on different circuits.

If the user still cannot eliminate the interference, he should consult an experienced radio/television technician for additional suggestions. The user may find the following booklet prepared by the Federal Communications Commission helpful: How to Identify and Resolve Radio-TV Interference Problems. This booklet is available from the U.S. Government Printing Office, Washington, DC 20540.
